Sign-In Page:

Users can sign in by entering their email credentials, selecting their Gmail account, or using their Facebook account. Users need to choose their preferred sign-in method from the options provided on the sign-in page. Once the credentials are entered or selected, users can proceed by clicking the "Sign In" button. If users do not have an account, they can click the "Sign Up" link to create a new account.

A mobile app sign-in page mockup. At the top is a logo consisting of four black leaf-like shapes arranged in a circle. Below the logo is the word "Welcome" in a large, dark font. Underneath is a line of text: "Log in to dev-0xrld0sjyuhye82d to continue to Miracle Of Luck." There are two input fields: "Email address*" and "Password*", with an eye icon to the right of the password field. Below the password field is a link "Forgot password?". A large blue button labeled "Continue" is positioned below the links. Underneath the button is the text "Don't have an account? Sign up". A horizontal line with "OR" in the center separates the email/password section from the social login section. There are two buttons for social login: "Continue with Google" (with the Google logo) and "Continue with Facebook" (with the Facebook logo). At the very bottom of the screen is a small, faint version of the app's logo.
